New applicants come into the market as part time season vendors. You request booth space week to week and pay the week you attend market. Booth space will be assigned based on availability. You are to provide your own pop-up, tables, etc. After the first season, all new vendors are reviewed by the Vendor Committee for compatibility of product with the market, customer feedback, and overall appearance of booth and product. At that point, if space is available, you can elect to become a full season vendor.

A part time vendor booth is \$40.00 per Saturday.
